School Closing Information

03/14/2020

Dear Parents/Guardians,

As you are already aware, the school districts in Burlington County have been temporarily closed to help contain the spread of the Coronavirus. As of today the emergency closure will last for 4 weeks which runs into the normal spring break closing week.

Your account will **not** be charged for the 4 weeks that the school is normally open. Tuition is normally billed and due the 20th of each month but to make this as easy as possible, there will be no tuition charge on March 20th since that covers 4 weeks of school.

Please note that if you decide to keep your child home after the school has reopened, your child will be considered disenrolled and you will have to re-enroll if you decide to start again at a later date.

Lastly, our yearly tuition is based on the number of school days in the school year. If the school decides to make up any of the closure days at the end of the year, your account will be adjusted and tuition will be billed to cover those dates.

This is a difficult time for you, our families, and for everyone you trust to provide care and instruction for your children. We hope that everyone stays safe and healthy as we navigate through to the end of the school year.

Sincerely,

Dave Goldstein
