School Closing Information

03/14/2020

Dear Parents/Guardians,

As you are already aware, the school districts in Burlington County have been temporarily closed to help contain the spread of the Coronavirus. As of today the emergency closure will last for 4 weeks which runs into the normal spring break closing week.

Your account will **not** be charged for the 4 weeks that the school is normally open and no charge will be made for Spring Break week. When school reopens on April 21st and if your child attends school full time, we will only charge for 4 school days that week.

Please note that if you decide to keep your child home after the school has reopened, your child will be considered disenrolled and you will have to reenroll if you decide to start again at a later date.

Lastly, if you need emergency care during this time, please call our main office at 609-518-7529 to check for availability at our location in Hainesport.

This is a difficult time for you, our families, and for everyone you trust to provide care and instruction for your children. We hope that everyone stays safe and healthy as we navigate through to the end of the school year.

Sincerely,

Dave Goldstein
