## Farm Animal Sensory Bin

- Farm animals or any other non-porous toy you have at home.
- Used Coffee grounds or wet dirt
- Old tooth brush or a sponge
- Small tub or bin that can hold water
- Small tub or bin that will hold wet dirt or coffee grounds

## Milking a Cow

- Rubber glove
- Water
- Container for liquid to go into

Put small pin holes in two of the finger holes. Fill with water and have your child squeeze out the water from the utter!

## Cute Cow

- Cut off two inches from the top. You can use these extra pieces to make the ears, hoofs and tail.
- If you have paint, have your child paint the paper roll white. After it dries a little have them paint black spots and a pink nose.
- If you do not have white paint you can have your child color black spots on white paper. Color a pink nose on a separate piece and cut it out. Glue (or tape) the white paper to the toilette paper roll and cut it down to size. Add the pink nose.
- Glue (or tape) the ears, tale and hoofs to the cow
