

Parents/Guardians:

As of 9:00 AM on 3/22/20, statements from Gov. Murphy have indicated that childcare centers may remain open. Wee Kids will remain open for our parents as long as there is a sufficient number of families that need care. Please remember that, starting Monday 3/23, the new hours of operation will be from 7:00 AM until 5:30 PM.

If your child was attending last week and will NOT be attending starting this week, please let us know by replying through this email. Kid Reports messages will be continually monitored for parent questions or schedule changes.

Once again thank you for your cooperation and understanding!

Wee Kids
