You can use positive discipline by showing love and encouragement:

- Catch the child being good. Respond to and reinforce positive behavior; acknowledge or praise to let the child know you approve of what he/she is doing.
- Provide positive reinforcement through rewards for good behavior. Use encouragement rather than competition, comparison or criticism.
- Over look small annoyances, and deliberately ignore provocations.
- Appreciate the child's point of view.
- Be loving, but don't confuse loving with license.

Positive discipline is NOT:

- Hitting, shaking, or any other form of corporal punishment.
- Using abusive language, ridicule, harsh, humiliating or frightening treatment or any other form of emotional punishment of children.
- Engaging in or inflicting any form of child abuse and/or neglect.
- Requiring a child to remain silent or inactive for an inappropriate long period of time.

Positive discipline takes time, patience, repetition and the willingness to change the way you deal with the children. But it's worth it, because positive discipline works.

Clothing

Please provide warm outerwear on cool days as we try to go outdoors as often as possible. **Please label all of your child's belongings.**

Guidelines for Positive Discipline

Positive discipline is a process of teaching children how to behave appropriately. Positive discipline respects the rights for the individual child, the group, and the adult. Methods of positive discipline shall be consistent with the age and development needs of the child, and lead to the ability to develop and maintain self-control.

Positive discipline is different from punishment. Punishment tells children what they should not do; positive discipline tells the children what they should do. Punishment teaches fear; positive discipline teaches self-esteem. You can use positive discipline by planning ahead:

- Anticipate and eliminate potential problems
- Have a few consistent, clear rules that are explained to children and understood by adults.
- Have a well-planned daily schedule.
- Plan for ample elements of fun and humor.
- Include some group decision-making.
- Provide time and space for the child to be alone.
- Make it possible for each child to feel he/she has had some positive impact on the group.
- Provide the structure and support children need to resolve their differences.
- Share ownership and responsibility with the children. Talk about our room, our toys.

You can use positive discipline by interviewing when necessary:

- Re-direct to a new activity to change the focus of a child's behavior.
- Provide individualized attention to help the child deal with a particular situation.
- Use time out by removing a child for a few minutes from the area or activity so that he/she may gain self-control. (One minute for each year of the child's age is a good rule of thumb).
- Divert the child and remove from the area of conflict.
- Provide alternative activities and acceptable ways to release feelings.
- Point out natural or logical consequences of children's behavior.
- Offer a choice only if there are two acceptable options.
- Criticize the behavior, not the child. Don't say "bad boy" or "bad girl." Instead you might say "That is not allowed here."

We Won't Just Ask for Your Trust... We'll Earn It!

In order to maintain a high quality program, we must budget for on-going costs associated with our staff, facility and supply needs. To cover these costs, we will always charge a full month's tuition. No allowances or deductions will be made for absences, vacations, holidays or weather related closings.

Payment can be made by cash, MasterCard, Visa, EFT or a check payable to Wee Kids EHEP Services. If a check is returned there is a \$30.00 returned check fee and we reserve the right to refuse future payments by check.

Late Fees

EHEP ends at 6:00 P.M. We understand an occasional lateness, when picking up, may be unavoidable. We ask that you call us if you will arrive after 6:00 P.M. and also pay a late fee of \$1.00 for every minute that you arrive after 6:00 P.M. Payment is due at the time you pick up your child and may be submitted to the supervising staff member.

Absences

If your child is absent from school or is not going to be attending EHEP, please call Wee Kids EHEP Services. If we do not receive notice regarding your child's absence, we will contact you and/or work with school officials to confirm the location of your child.

Policy On the Release Of Children

Each child may be released only to the child's parent(s) or those you listed as **Authorized Pick-up Contacts** in the enrollment packet. Those listed as an Authorized Pick-up Contact must be able to assume responsibility for the child in an emergency or if the parent(s) cannot be reached. If someone other than those listed on your child's authorized pick-up contact list will be picking up your child please notify us. 1. The child is supervised at all times.

We Won't Just Ask for Your Trust... We'll Earn It!

- Staff members attempt to contact the parent(s) or authorized pick-up contacts; and
- An hour after closing time, provided that other arrangements for releasing the child to his/her parent(s) or authorized person(s) have failed and the staff member(s) cannot continue to supervise the child at the center, the staff member shall call the **24 hour State Central Registry Hotline 1-877-NJ-ABUSE (1-877-652-2873)** to seek assistance in caring for the child until the parent(s) or person(s) authorized by the child's parent(s) is able to pick up.

If in the judgment of the director and/or staff member, the parent(s) or person(s) authorized pick-up contact appear to be physically impaired and/or emotionally impaired to the extent that, the child would be placed at risk of harm if released to such an individual, EHEP shall ensure:

- The child will not be released to the impaired individual.
- Staff members attempt to contact the child's other parent or an alternative pick-up contact ; and
- If the center is unable to make alternative arrangements, a staff member will call the **24 hour State Registry Hotline 1-877-NJ-ABUSE (1-877-652-2873)** to seek assistance in caring for the child.
